

# RAPHELA JUNIOR SCHOOL

Nurturing Greatness for Excellence

## SCHOOL NEWSLETTER

Issue No.3 | Friday 16th June 2023

### MESSAGE FROM ADMINISTRATION

Dear parents and guardians,  
Here at Raphela, we have had a vibrant, colorful and interesting week. Our children have developed the ability to prioritize tasks by learning to "PUT FIRST THINGS FIRST." They have also been reminded often to complete their tasks quickly and intelligently, as well as to always put God first.  
In this week, our children completed the first level of the abacus and mental maths program during this week. They received medals and certificates as rewards. We highly commend them for their accomplishment. We have enjoyed our different club activities as well.  
We would want to take this opportunity to thank you for helping our children grow and develop.

### CLUB OF THE WEEK

### SCIENCE CLUB

### LEADERS OF THE WEEK

**LOGAN  
KARUGABA**  
Routine  
Supervisor

**KAKA  
IRANZI**  
Library  
Captain

**MUKISA  
KEVINSETH**  
Prayer  
Leader

**BUSINGYE  
FAITH  
JENINAH**  
Health Supervisor

**DON LOUIS  
KAYIWA**  
Time  
Manager

# Here is a sneak peak of what our science club has been up to....

Raphela Junior School's science club has been thriving, with members participating in farming projects and activities like nursery bedding, transplanting, spraying, watering, weeding, and manuring. These hands-on experiences help children develop practical skills and deepen their understanding of scientific concepts. The club aims to enhance critical thinking skills and foster a passion for science among children. By engaging in exploration and experimentation, they can expand their knowledge in a dynamic and engaging manner, nurturing a love for science is crucial for holistic development and future success. The club appreciates your support in promoting a culture of scientific inquiry and discovery at Raphela Junior School, aiming to inspire the next generation of budding scientists and innovators.

**For the most recent information on school activities, keep an eye out for our weekly newsletters.**
