Dear Parents and Guardians,

We hope this newsletter finds you well and filled with joy. The past week has been truly wonderful at our school, as our children continue to embrace the spirit of teamwork and positive collaboration through the practice of the THINK WIN WIN habit.

We are delighted to witness their growing enthusiasm for helping others, living in harmony, and offering genuine compliments to their peers. It is heartwarming to see our children develop such a strong sense of empathy and compassion, nurturing an environment of kindness and respect within our school community. Our children have been actively engaged in rigorous Spelling Bee practice sessions as they prepare for the upcoming Spelling Bee competition. Furthermore, our various clubs, including ballet, debate, soccer, and basketball, have been buzzing with energy and participation.

As we look forward to the week ahead, let us continue to inspire and guide our children by fostering a love for learning. Wishing you a delightful week filled with shared joy and meaningful moments

THE BALLET CLUB..

We are thrilled to introduce our Ballet Club, a wonderful opportunity for our children to explore the world of dance. Ballet is a beautiful art form and an excellent weight-bearing exercise. Through ballet, our children engage in a wide range of movements that enhance coordination, concentration, cognitive abilities, self-confidence and self-expression. Our Club provides a supportive and nurturing environment where our children express themselves creatively, make new friends, and develop a sense of grace and elegance. Check out the pictorial below to see our children twirl, leap, and pirouette with joy as they explore the magical world of ballet
