Message from the Administration.

Dear Parents/Guardians,

We trust this message finds you and our children in good health and high spirits. As we embark on the first week of the holidays, we take this moment to thank God for bringing us safely to this point.

During this break, we kindly remind you to support and monitor our children as they engage in their holiday assignments. Take the opportunity to have meaningful conversations with them about their academic progress and life in general. Your guidance and involvement are invaluable to their growth and development.

We wish you and your family a happy and restful holiday filled with joy and relaxation.

OUR FLAGS

Abacus Mental Maths

Abacus and mental math are foundational skills that enhance children's mathematical abilities by teaching them to perform calculations quickly and accurately using mental strategies and the abacus tool.

We are pleased to announce that on Tuesday, April 30th, 2024, our children who completed their various levels of the Brain Master's program during the term were recognized for their achievements. They were awarded certificates and medals in recognition of their dedication and hard work.

Join us in congratulating them for their outstanding accomplishments in mastering abacus and mental math skills. We are proud of their commitment to learning and their exceptional achievements

The Debate Club of Raphela

The Debate Club of Raphela organized an engaging debate on Friday, April 26th, 2024. The competition showcased the intellectual prowess of our students, with two teams, Kilimanjaro and Eldoret, facing off against Rwenzori and Elgon. It was a stimulating day filled with insightful discussions and compelling arguments.

THE BASKETBALL TOURNAMENT.

The Raphela Open Basketball Tournament, which took place on 30th April 2024, was a vibrant celebration of sportsmanship and school spirit. It provided our children with an opportunity to create enduring memories while reinforcing the values of teamwork and perseverance. In line with the inter-house tradition, each house fielded two teams, showcasing the diverse talent within our school.

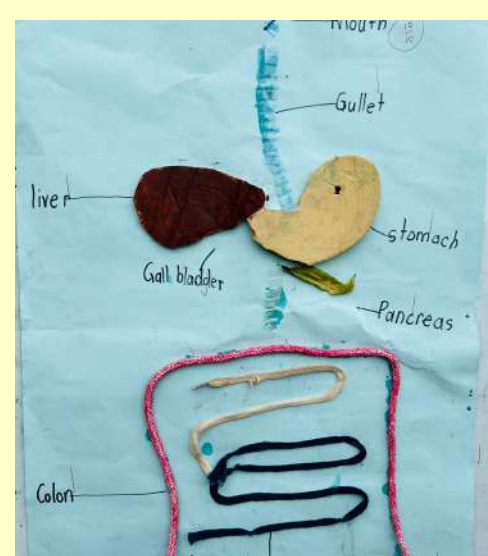

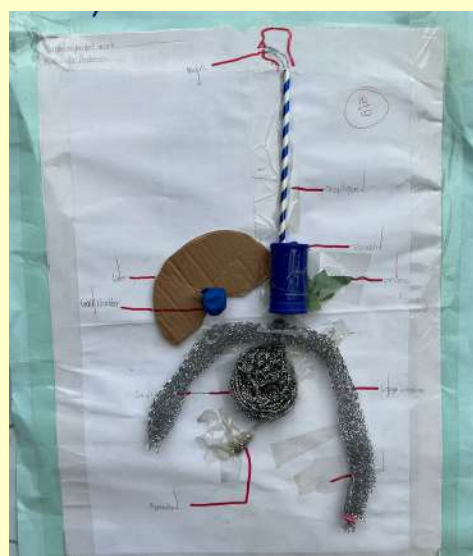

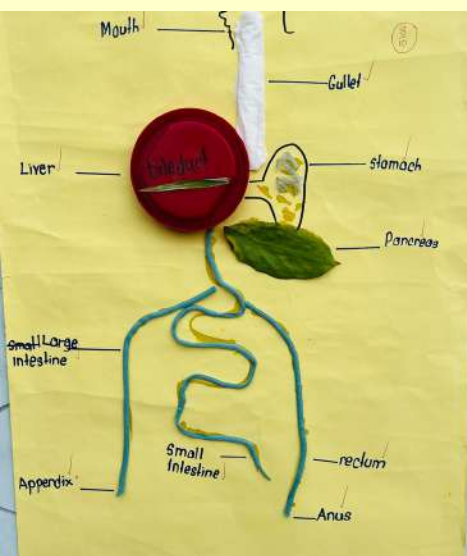

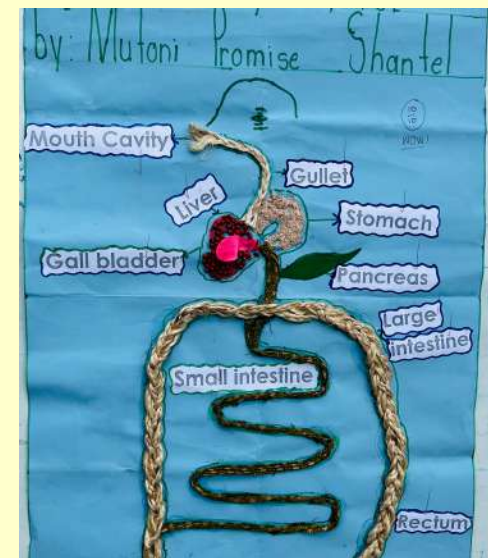

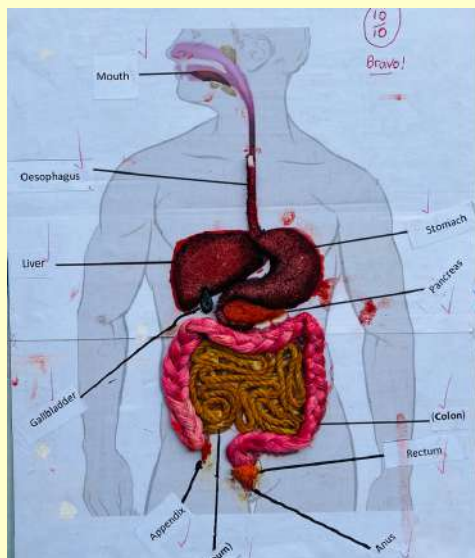

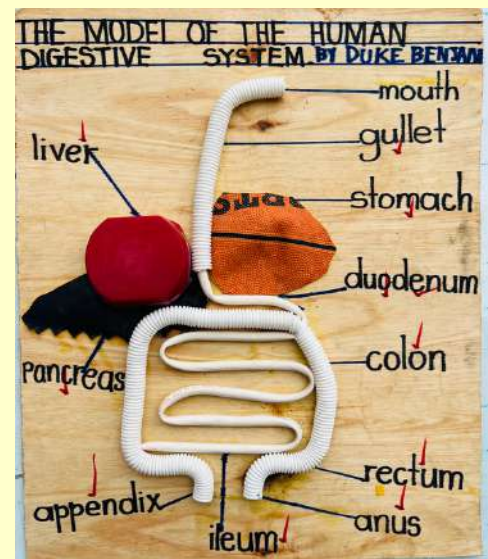

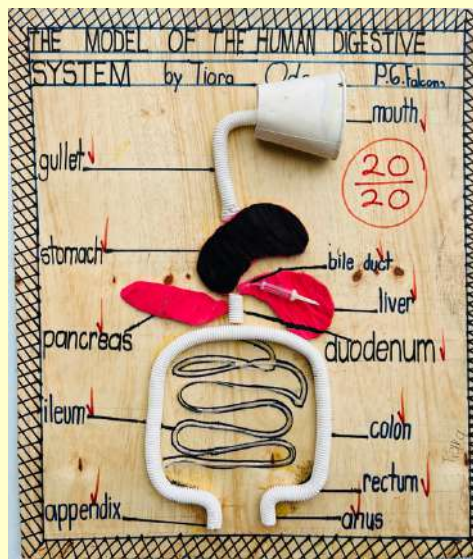

The tournament saw our children demonstrate impressive dribbling skills, sink remarkable three-pointers, and exhibit strategic defensive maneuvers as they guarded against their opponents. Their composure on the pitch was commendable.

We were able to capture a few moments at the event.

OUR SCIENCE PROJECT WORK

We extend our sincere gratitude to the parents for helping our children come up with amazing work.
