OUR SMARTEST CHILDREN OF WEEK 7

MESSAGE FROM ADMINISTRATION.

Dear parents and guardians,

We hope this message finds you well. This week at Raphela Junior School has been filled with great achievements and exciting activities. We would like to extend our heartfelt appreciation to all parents for the unwavering support you have shown to the children's science project work. Your involvement and encouragement have contributed to their success, and we are proud of their accomplishments.

During the week, our ECD section enjoyed a well-deserved half-term break, allowing our children to recharge and spend quality time with their families. We trust that this break has brought them joy and rejuvenation.

We continue to prepare our students for the upcoming Spelling Bee competition, which is scheduled for the 22nd of July 2023. The dedication and commitment they have shown in their practice sessions are commendable. We believe and have faith that they will emerge victors.

Additionally, our catechism classes have been ongoing, providing spiritual guidance and moral values to our students. We appreciate the partnership between the school and parents in nurturing the holistic development of our children.

Lastly, our commitment to fostering a positive mindset and habits of successful individuals remains steadfast. We have been focusing on the 'Think Win Win' habit.

Thank you for your continued trust and partnership. Have a wonderful weekend and a productive week ahead.

At Raphela Junior school, we believe that every child is a leader. We therefore take it upon ourselves to nurture, empower and unlock the leadership potential in them through our transformative Leader in Me Programme.

THE CREATIVE ART CLUB

With great pride, we present our Club of the Week: The Creative Art Club! Art and craft activities hold a special place in our hearts as they provide our children with a sense of achievement and allow them to take pride in their artistic creations. Through various art forms, such as drawing, painting, clay modelling, weaving, and more, our young artists are developing their fine motor skills, creativity, self-esteem, imagination, and social-emotional learning.

The Creative Art Club nurtures their concentration and artistic skills as they explore the magical world of art and craft. Each activity encourages holistic development, fostering hand-eye coordination, manual dexterity, and a love for self-expression. Our learners at Raphela Junior School are truly embracing their artistic journey and discovering the joy that art brings to their lives.
