*Nurture Excellence For Greatness*

## MESSAGE FROM ADMINISTRATION

Dear Parents/Guardians,

We are grateful to God for bringing us this far. This week, our children have been actively engaged in polishing their knowledge as they successfully completed a set of continuous assessments. Their dedication and hard work are a testament to their growth and commitment to learning.

Keeping true to our school's vision of nurturing confident and well-rounded learners, we continue to create opportunities for our children to explore, discover, and develop holistically. This has been evident in both their academic progress and creative engagements.

As always, we appreciate your unwavering support in every step of this journey. We wish you a restful weekend and a successful week ahead.

We look forward to another productive week together!
