

HERE IS WHAT HAS BEEN HAPPENING AT OUR SCHOOL THIS WEEK

MESSAGE FROM THE ADMINISTRATION

Dear Parents and Guardians,

This week At Raphela Junior School, we have prioritized fostering a positive and supportive environment through the principle of "think Win Win!" Our children are embracing collaboration, kindness, and helping one another to create a harmonious community. They show remarkable empathy, looking out for one another, offering compliments and greetings to their peers, teachers and parents. They are also actively preparing for the upcoming Spelling Bee competition, participating in catechism classes and the various clubs, providing valuable opportunities for learning, personal growth, and spiritual development. Kindly foster parent-teacher collaboration by using diaries for increased communication and sharing feedback on children's home projects. This will create a strong partnership that supports their growth and development.

Wishing you a week ahead filled with new opportunities and meaningful experiences.

ABOUT OUR CLUB

Get ready to be amazed as we showcase our Club of the Week: Performing Arts! From captivating music and enchanting dance to enthralling theatrical performances, our children have been exploring the wonderful world of performing arts.

In the recent weeks, they have been composing their own songs and honing their skills in preparation for an exciting Mega Concert in December. Their goal is to establish a school choir that will make a mark on the international stage.

Participating in Performing Arts allows our children to unleash their creativity, boost their confidence, enhance their communication skills, and develop a strong sense of discipline. It is a platform for self-expression and teamwork, fostering a love for the arts and providing invaluable learning experiences.

We invite you to join us in celebrating the talents of our young performers. Stay tuned for updates on their progress and upcoming performances!
