

MESSAGE FROM ADMINISTRATION

Dear Parents/Guardians,

As we gracefully conclude yet another enriching week here at Raphela Junior School, our hearts overflow with gratitude to the Almighty for His unwavering guidance. We also extend our heartfelt appreciation to you for your support and unwavering cooperation.

Throughout this week, we delved once again into the profound teachings of Habit 1: "Be Proactive - I am in charge," imparting lessons to our children on navigating anger, triumphing over adversities, and embracing the virtues of honesty, diligence, faithfulness, and patience. We humbly urge you to echo and reinforce these teachings within the sanctuary of your home, as we collectively strive to nurture and mold well-rounded individuals poised to make a positive impact on society.

We wish you a restful and rejuvenating weekend.

LEADERS OF THE MONTH OF FEBRUARY

We are proud to recognize and appreciate our Leaders of the Month for February from Primary Seven. These students have demonstrated outstanding leadership qualities and have positively impacted our school community. At Raphela, we highly value leadership development in our children, which is why we implement the Leader in Me program. This equips our children with essential leadership and life skills for the 21st century. We commend our Leaders of the Month for embodying these principles and contributing to our school's success. Our leadership approach is rotational, ensuring that every child has the opportunity to lead. On Monday, March 4th, 2024, they will hand over the instruments of power to the leaders of March
