Message from Administration

Dear Parents/Guardians,

As we navigate through another week of learning and growth, we're excited to share our focus on Habit 2: Begin with the End in Mind - Have a Plan. We've been guiding our children to develop essential skills such as planning their day, maintaining sanitation, making decisions, and covering their mouths when necessary. These lessons have been imparted through various interactive methods. We're witnessing our children flourish as they gain confidence, self-esteem, critical thinking, planning abilities, reasoning skills, and self-awareness.

In addition, we're pleased to announce the successful completion of another round of continuous assessments. These assessments enable us to monitor and evaluate the growth, development, strengths, and areas needing improvement of each child.

Furthermore, we're diligently preparing for our upcoming Sports Day scheduled for March 28th, 2024. Our children are practicing hard and we're eagerly looking forward to hosting you as you cheer them on and witness their sportsmanship.

In this newsletter you will find:

SPORTS DAY

It's exactly 11 days until our much-anticipated Sports Day scheduled for March 28th, 2024. We'll start off the day with a lively band match around Kira, setting the stage for a day of competition. Our children are gearing up to represent their teams - Blue, Green, Yellow, and Orange - with pride and determination. With every child participating, we invite all parents to join us and cheer them on. We can't wait to host you. Here is a sneak peek into our practice sessions....
