MESSAGE FROM ADMINISTRATION

Dear Parents/Guardians,

We're thankful to God for guiding us through another successful week at Raphela Junior School. As we reflect on the past few days, we're excited to share some highlights with you.

This week, our focus has been on preparing for our upcoming Sports Day. We've witnessed our children's dedication and hard work as they put their all into practice sessions and preparations for the big event and we are nothing short of being proud of them.

Additionally, this week, we came to the end of our curriculum meetings. We extend our heartfelt gratitude to all parents who took the time to attend despite their busy schedules. Your participation and engagement are invaluable as we work together to support our children's education.

Furthermore, we've revisited Habit 2: "Begin with the end in mind. Have a plan." Our children have been learning important lessons about planning their day, practicing unselfishness, and showing kindness to others. Through engaging activities like brainstorming, discussions, role play, and sharing experiences, we've instilled these essential values in our children.

Thank you for your ongoing support and partnership in our children's development. We look forward to hosting you on our sports day. Have a wonderful weekend ahead!
