MESSAGE FROM THE ADMINISTRATION

Dear Parents/Guardians,
We Welcome you to another exciting edition of our weekly newsletter. This week, we have been preparing for the Primary Seven Thanksgiving and Blessing Mass, a pivotal moment for our candidates as they approach their final examinations. We wish them all the best and ask for your continued support and prayers for their success.

We have been focusing on instilling the essential habit of "synergize" in our children. This habit encourages them to be generous with their gifts and talents, help and teach others, work together as a team, and understand the importance of collaboration. We kindly request you to re-echo these values at home and reinforce the importance of unity and cooperation with their fellow children. We want to express our deep gratitude to all parents for your ongoing support and partnership in nurturing our young minds. Together, we are shaping the future of our children. We wish you a productive and fulfilling week ahead.

THE PRIMARY SEVEN THANKSGIVING AND BLESSING MASS

In a day the Lord has made, we gathered for our Thanksgiving and Blessing Mass at Rudolf Steiner hall in Mulawa, graced by Rev. Fr. Julius Kanyike as the main celebrant. Mr. and Mrs. Ahumuza honored us with their presence as the guests of honor. Our primary six children led the choir, and together we praised, adored, and gave thanks to the Lord. We express our heartfelt gratitude to the parents who joined us on this blessed day and we have faith that the Lord's blessings continue to shine upon our primary seven children.

Ask it and it will be given to you. Luke 11:5-13

Our dearest Primary Seven children, you hold a special place in our hearts, and Raphela Junior School will always be your nurturing home, where the boundless love for you is an everlasting flame that will forever guide your way.

OUR LEADERS OF PRE PRIMARY CLASS THIS WEEK

We are proud to introduce our Young Leaders of the Week from the Pre-Primary class. They have demonstrated leadership qualities such as teamwork, empathy, and responsibility in three different streams. They are demonstrating the importance of leadership from a young age, as they are guiding their peers and setting an example for others. At Raphela, we believe that leadership is not determined by age but by one's willingness to serve, guide, and inspire others. Congratulations to these young leaders and look forward to their continued growth and leadership skills.
