# FROM THE ADMINISTRATION.

Dear Parents/Guardians,

We hope this newsletter finds you well.

We want to express our gratitude to God for guiding us through another successful week. It's been a journey filled with learning and growth for our children.

Throughout this week, we've re-focused on instilling Habit 2: Begin with the end in mind - Have a plan. We've emphasized the importance of taking courage and being assertive, traits that will serve our children well as they navigate through life.

Additionally, we would love to issue a gentle reminder to all parents that the deadline for handing in project work is fast approaching. Please ensure that everything is finalized and submitted by Friday, 19th April 2024. Your support in this matter is greatly appreciated.

As we embark on our collective journey towards nurturing our children to achieve greatness, we uphold our commitment to create a safe, enriching environment where every child can thrive academically, socially, spiritually, emotionally, and physically.

Thank you for entrusting us with our child's education and growth.

## LEADERS OF THE WEEK

We would love to extend our gratitude to our Leaders of Week 9 for their dedication and positive attitude throughout this week. We appreciate your exemplary service. As our leadership roles are rotational, they will hand over to the next team of leaders on Monday next week.

# THE RAPHELA NURSERY CLASS OF 2024

In our nursery class, we have our three-year-old children, who are blossoming with wonder and curiosity. They're busy exploring their world, learning the names of different things and colors. Their imagination is thriving as they listen to and share a number of stories. Through engaging in activities like sand play, they're sharpening their motor skills with enthusiasm. They delight in singing songs and discovering new sounds. Oh, how they adore counting numbers and objects around them.
