## Message From the Administration.

Dear Parents/Guardians,

Greetings! We hope this newsletter finds you well.

We are grateful to God for guiding us through yet another busy and successful week here at Raphela Junior School. Our children completed a set of continuous assessment tests, providing us with valuable insights into their progress and areas for growth.

Throughout the week, we once again focused on reinforcing Habit 2: Begin with the end in mind. We've imparted lessons on the importance of having a plan, the power of positive language, and the value of unselfishness. Through various engaging methods such as explanations, discussions, demonstrations, role-playing, brainstorming, and storytelling, our children have gained a deeper understanding of these concepts.

As we continue to instill these important values in our children, we kindly request you to echo these teachings at home too. We appreciate your unwavering support and partnership in nurturing our children.

# LEADERS OF THE MONTH OF MARCH.

## **Ankunda Elaine Igumira, Headgirl**

I look up to Dr. Ruth Aceng, the Minister of Health. She has inspired me to become a doctor in the future. She has taught me that women can do great things. She makes me think and know that women are courageous, strong, and independent.

## **Kigozi Darius Nsimbi, Head Boy**

A million people inspire me each day of my life, but Dr. Mikhaela encourages me to be strong and inspires me to be the leader I want to be in the future. I want to be a paediatrician, just like her. She says it is fun and interesting because she makes new friends every day as she treats patients. She works hard to make her patients proud.

## **Imara Jesse, Routine Supervisor**

The woman who inspires me is Hon. Margaret Rwabushaija, a woman member of parliament. She said that no one should pull you down from your dreams and tell you that you can't achieve them. She supports people. She is confident and a good role model.

## **Nampigi Clara, Health Supervisor**

There are many women in the world that inspire me like Ariana Grande who is an American artist. Her voice is amazing and high pitched just like mine. she inspires me to be an artist too. One day, I will become an amazing artist and create beautiful songs that make people feel like dancing.

## **Mbago Hydery Tendo, Library Captain**

I am inspired by Ellen Johnson Sirleaf. She was the first elected woman president in Africa in 2006. She was awarded the Nobel Peace Prize in 2011 with two other women, Gbowee and Karman, in 2018 after serving her second and final term peacefully. In 2017, she received the Ibrahim Prize for achievement in African leadership.

## **Aliba Mary Sharleen, Information Captain**

I am greatly inspired by Queen Elizabeth II. She shows me that ladies can be great and empowers me to try new things.

# STAR CORNER.

Meet Daniel Asingura, a shining star at Raphela Junior School, whose passion for music knows no bounds. Daniel is skilled in playing the guitar and piano. He has had the opportunity to showcase his talents on different platforms like the Pablo Kids show. He also contributes as a writer for Rainbow magazine. Recently, Daniel had the opportunity to visit Jesa Farm dairy. He was accompanied by his friend Elijah and brother Donald, an experience he describes as incredibly memorable.

Ooohh.... How I cherish these moments, playing away on my guitar...

In the studio with Pablo Kimuli, as music intertwined with laughter.

At Jesa Farm we laughed, learned, bonded, and made memories that will last forever.
