MESSAGE FROM THE ADMINISTRATION

Dear Parents or Guardians,

As we embark on the journey of the academic year 2024, it brings us immense joy to welcome you all back from the long holiday break. To our new parents and friends who have joined us this year, we extend a warm welcome. We extend our heartfelt gratitude to God for the gift of life and the blessings He continues to bestow upon us. We pray for comfort and strength for those who have faced challenges during this time.

We are delighted to see our children adjusting well to the school environment after the holidays. In the past two weeks, we have been teaching them about the importance of being proactive. It is our goal to instill valuable life skills in our children that will serve them well beyond the classroom.

At Raphela, we are committed to providing a nurturing and holistic learning environment for our children. Thank you for entrusting us with their growth and development.

ACADEMICS

Our children have successfully completed the first set of continuous assessments for the term. These assessments serve as crucial checkpoints in monitoring their academic progress and understanding of the curriculum.

As part of our commitment to providing quality education, our children will undergo three more sets of continuous assessments throughout the term. Through careful evaluations and feedback, we are able to track each child's progress and provide targeted support where needed. We believe that these assessments play a vital role in ensuring the academic growth and success of our children.

PRIMARY LEAVING EXAMINATIONS.

We had a total of 44 candidates that sat for their primary leaving examinations last year, 2023. Here is a summary of the results:

SPORTS DAY

We are pleased to inform you that we will hold our sports day during the course of the term. Our children will be participating and competing, in various games and sports like athletics, netball, football, basketball, walking races and chess. Kindly encourage and support our children to actively participate in at least two of the activities of that day. We will also have tag of war between the parents and school staff. We kindly request and look forward to having you on that day.

SCHOOL DIARIES

All our children have been given diaries at the beginning of the term to facilitate good communication between the school and the parents. These diaries serve as records of academic progress and social development so we urge you to read through them and appropriately respond.

SCHOOL UNIFORM

All our children are required to report to school each day in full school uniform and adhere to the school uniform policy. While girls may style their hair in neatly tied puffs, brightly colored braids are not permitted. The girls with pierced ears may only wear simple ear studs. Every child is expected to have a handkerchief daily.
